ORDER NO. _____

SUBJECT:

[DOCKET NO. 2014-252-E](#) - Request of Duke Energy Carolinas, LLC to Add New Energy Efficiency Program to Portfolio (Small Business Energy Saver) - Staff Presents for Commission Consideration Duke Energy Carolinas, LLC's Request for Approval of Modifications to the Small Business Energy Saver Program.

COMMISSION ACTION:

I move that the Commission grant the Application of Duke Energy Carolinas to modify its Small Business Energy Saver Program. The purpose of the this Program is to reduce energy usage through the direct installation of energy efficiency measures in a non-residential segment of the market that does not take advantage of the Company's other non-residential energy efficiency programs. Duke Energy Carolinas seeks to modify the program by expanding its availability to include all existing non-residential customer accounts, including those exceeding the current average annual demand limitation of 180 kW. Duke maintains the expansion will significantly increase participation in the program and support the program's cost-effectiveness.

Additionally, since the Program is being made available to businesses that exceed the current average annual demand limitation of 180 kW, I also move that the Commission approve the requested name change from the "Small Business Energy Saver Program" to the "Business Energy Saver Program."
